

CHAPTER DIVIDERS

Chapter Divider Information &
Examples

CHAPTER DIVIDERS

Chapter dividers include an image, quote, and company logo. There can only be one chapter divider sponsor per chapter, with the sponsor's company feature being the first feature after the chapter divider.

Please provide the following elements:

- High-resolution landscape image suitable for a premium coffee-table book.
- Short quote, ideally from a senior member of your organization. Please include name and designation.
- Logo file (.eps preferred)

RECENT EXAMPLES

CHAPTER 3 FLIGHT

"Our rich aviation and aerospace heritage brought us innovations through the supersonic flight era, consolidation to two major global aircraft manufacturers separated by the Atlantic, and now electric and autonomous advanced air mobility. Dreams of science fiction are made real here in Bristol and Bath, where established industries and thriving aviation startups are building a better future today."

CHAPTER 6
ROBOTICS

brl
Bristol Robotics Laboratory

“Robotics provides the bridge from the digital into the real world; creating smart physical devices that work with us and for us and will be at the heart of an infinity of new applications.”

— PROFESSOR CHRIS MELHUIH, BRL

RECENT EXAMPLES

CHAPTER 8

DIGITAL INFRASTRUCTURE

"Connectivity is fundamental to the world's economic growth, but achieving ubiquitous and reliable connectivity is an enormous challenge that requires a new approach on how we build and operate communications networks in an efficient and sustainable way."

— VASSILIS SEFERIDIS, ZEETTA NETWORKS
