EMBOSSED COVERS

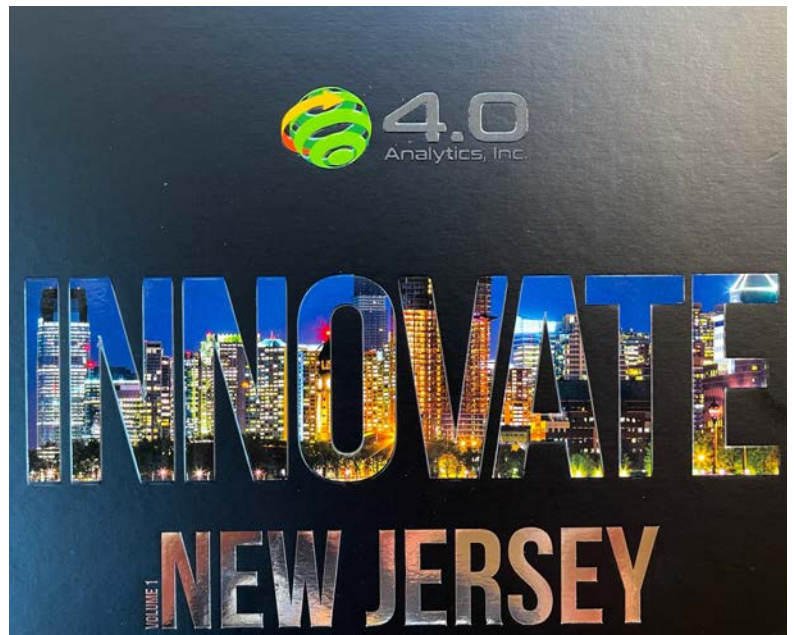

Embossed covers include your company logo on the front cover, typically, above the word INNOVATE.

Embossed covers are created for book orders of 25 or more at no charge. Should you wish to have embossed covers on a smaller book order please discuss this with your production manager.

Logo embossing can be done in a prestigious one tone foil embossing or a full color print. Please provide the logo you would like to use for your front cover logo (preferably in .eps format).
